2011 GNAR Involvement Credits Form

Effective 2001, each applicant for the Awards of Excellence is required to complete a total of eight (8) "GNAR Volunteer Credits" in order to be eligible for an award. This applies to all awards levels. The addition of this requirement is intended to encourage more active participation in GNAR and the Greater Nashville community and to make the awards program truly reflect the achievement of real estate excellence, as well as sales excellence.

The various point values for activities such as working on the GNAR Habitat for Humanity project, involvement on a GNAR committee, attendance at various conventions and meetings and other programs is provided on the "Involvement Credit Opportunities" attachment to the Awards of Excellence Rules. This form is provided for applicants to document the ways in which they have earned the necessary points and perhaps more.

Please complete this form and include it as part of your Awards of Excellence application:
